U. S. Calls for Workers to Make Gas Masks

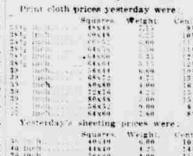

R EQUESTS for 1,000 skilled dress and waist operators for work in a gas mask factory at Astoria, I. I., has been made by the United States Government—the first Federal move directly affecting the women's apparel trades.

The Astoria plant, it is said, has been equipped with more than 500 machines. If it proves a success, other plants will be opened and several trades.

required.
The Ladies' Waist and Dressmak-

er's Union has been asked to supply the workers, and already has sent will operate its plant on a weekly basis, paying operators about \$20 to start. Later it will put them on a

gomery, and Assistant Secretary Jen-nings of the Metropolitan Trust Com-pany will be the speakers. The topid will be "Federal Taxation," embracing the income tax, the excess profits tax and the stamp tax. William Edwards. Collector of Internal Revenue, has been

Opens Course in Cornetry.

To help women and girls in salesmanship who are preparing to specialize in the sale of women's apparel, especially corsets, brassieres and lingerie, a trade continuation class in corsetry will be opened in the Bronx Evening High School, Prospect avenue and Jennings street, Monday.

The course will include classification of figure types and conditions, how to measure the body for standards, special and custom goods and how to adjust garments properly.
